

My Kind of Care

PATIENT PORTAL INFORMATION

What is Patient Portal?

Patient Portal (which is similar to MyChart) is your access to your health records securely. You are able to securely message your care team at Andros ENT and Sleep Center to ensure confidentiality.

Key features include:

- ! View, download, and share your medical record with other doctors
- ! Securely message with Dr. Rosario or Dr. Dahm and care team
- ! Schedule, view, and manage appointments
- ! Request prescription refills and renewals

Patient Name: _____ DOB: _____

Hello! As a patient of Andros ENT & Sleep Center, you are offered the option to sign up for our online patient portal, which allows you to access your medical records from Andros ENT & Sleep Center online, at your convenience.

All we need is the following (please circle your answer):

Security Question Options:

1. Last four digits of patients SSN.
2. Year the patient graduated high school.
3. Year patient's mother graduated high school.
4. Year patient's father graduated high school.
5. Year patient got married.
6. Year patient's mother was born.
7. Year patient's father was born
8. Patient's postal code.

Security Question Answer:

Valid Email Address (example@xxx.com):

After we send you the invitation, IQHealth.com will be sending you a link to the email address you provided. You will need to log into your email, and click on this link. You will then be able to create a new username and password for your portal (please ensure you are checking your spam/junk folder as well in case it gets sent there). If for some reason you do not receive this email, you can go to www.IQHealth.com, enter the access code that was provided to you and you can be set up that way as well. Please call us with any questions you may have. We would be happy to help!

Access Code: _____ This will be provided by our team.
